

The Makita logo is displayed in white text on a red rectangular background. The word "Makita" is written in a stylized, italicized font with a registered trademark symbol (®) to the upper right.

Band Saw  
LB1200F

Satisfy Professional's Needs

A teal Makita LB1200F band saw is shown in a workshop setting. The saw is positioned vertically, with a large wooden beam being cut. The Makita logo is visible on the front of the upper housing. The background is a bright, slightly blurred workshop environment.

**New partner  
for your workshop**

# Expand your working capacity

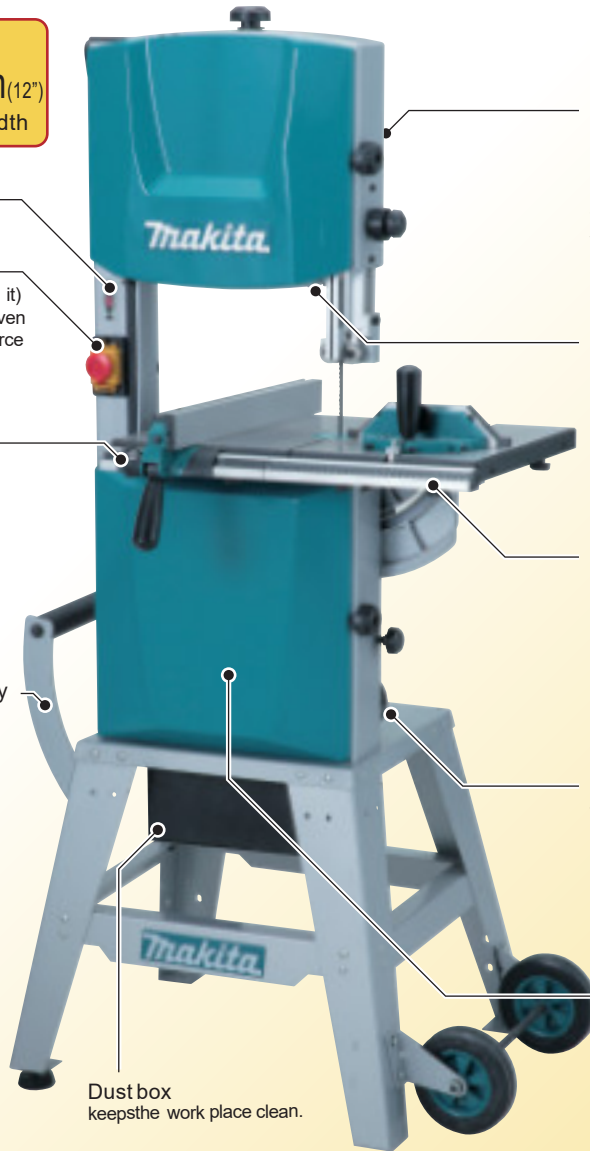

**Cutting capacity**  
**165mm (6-1/2")** **305mm (12")**  
 Maximum height Throatwidth

LED job light switch  
 Anti-restart function  
 (for countries where regulations require it) prevents accidental startup for safety even if the machine is plugged to power source with the switch on.

Easy-to-Read Scale  
 with large graduations and magnifying lens.

Wheeled stand for easier mobility  
 Stand with two caster wheels and a lifting handle adds mobility for convenient repositioning of the machine.

Quick-release tension lever for tool-less easy blade change allows to easily loosen or tighten the band saw blade without using tools.

LED job light  
 6 LEDs illuminate working surface for easier cutting in dark places.

Bevel cutting base can be tilted up to 45-degrees.

Easy connecting with vacuum cleaner  
 Both 63mm and 100mm hoses can be connected.

High / Low speed selection for excellent results in both hard and soft wood

Dust box keeps the work place clean.

## Optional Accessories

Band saw blade  
 Thickness: 0.5 mm

Width	No. of teeth per inch	Application	Part No.
16mm 13mm	4	Wood/ for cross-cut	B-16667
16mm	6	Wood/ for universal	B-16673
6mm	6	Wood/ for curve-cut	B-16689
16mm	14	Nonferrous metal	B-16695

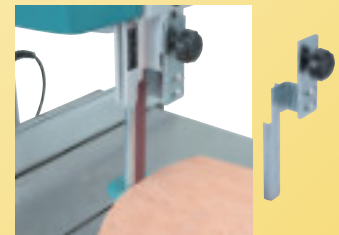

Extension table set  
 Part No. JM21000300

Circular cutting attachment set  
 Part No. JM21000320

Belt sanding attachment set  
 Part No. JM21000330

Use a sanding belt that is 2240 mm long and 20 mm wide or less.
