# Electric Hedge Trimmer

Satisfy Professional's Needs

UH7580 750mm / UH6580 650mm / UH5580 550mm  
UH6570 650mm / UH5570 550mm / UH4570 450mm

### Optional Accessories

#### Shear blade assembly set

#### Arm band complete set

Part No. 194679-8

#### Chip receiver assembly set

Keeps branch or leaf debris from scattering around.

- One-touch installation/removal
- Attachable to either side of the blade

Part No. 194681-1

#### Blade cover

#### Cord holder complete set

(standard equipment)

Part No. 194677-2

#### Hook complete

(standard equipment)

Part No. 158024-1

Standard Equipment Blade Cover, Hook Complete, Cord holder complete set

Items of standard equipment and specifications may vary by country or area.

Makita Corporation

3-11-8 Sumiyoshi-cho, Anjo, Aichi, 446-8502 Japan

PRINTED IN JAPAN Z23437-2 AJ-AD

Superior operation  
with Ergonomic multi-grip

# More improved handling with Ergonomic multi-grip system

**Gripping Front and Main grips for easy hedge top trimming**

**Gripping Front and Sub grips for efficient hedge side trimming**

**Gripping Main and Sub grips for extra-long reach**

**Two-handed safety switching in all applications**

Each of the three grips is equipped with a switch. The blades start only when any two of the three switches are engaged at once, and stop immediately when one of the two switches is released.

**Protection of extension cord from breakage**

- By holding extension cord with **Cord holder complete set (standard equipment)** attached on waist belt, extension cord can be prevented from dangling in front of operator.
- Using **Arm band complete set (option)** with Cord holder complete set in overhead applications, extension cord can be protected from getting caught in trees or hedges.

- Easy carbon brush replacement
- Ergonomically designed rubberized grip
- Mechanical brake
- Electric brake

- UH6580** 650mm
- UH5580** 550mm

**High Class 550W**

- UH6570** 650mm
- UH5570** 550mm
- UH4570** 450mm

**These highpower and lightweight hedge trimmers cut through the hedge like a "hot" knife through butter!**

**Truss head screws on lower blade for smooth hedge trimming**

**Anti-loosening nut for blade fastening screw**

**Blade tip guard prevents kickback and protects gears.**

**Stain-free shear blade surface of glittering silver obtained by non-electrolyzed nickel plating that features high anti-abrasion surface for long lasting coating.**

**High durable gear**

**Clutch** protects gears from blade-lock when thick branch or obstacle gets caught in the blade.
