

Narrow Crown Stapler AT638A

Narrow Crown Stapler powered by pressure air 0.49 – 0.83 MPa

Ergonomically designed rubber grip

with anti-slipping rib
provides more comfort and better
control.

Air duster

By pushing the push button, air
from compressor can be bypassed
into the air duster nozzle to produce
powerful air blast for sweeping up
job site floor as well as workpiece.

Protective bumpers

protect workpiece and body from
scratches or damage.

Tool-less staple jam clearing

Easy-to see slim nose tip

allows quick and easy access
to a desired fastening point.

Remaining staple view window

Tool-less Driving depth adjustment simply by turning a dial.
