## HAND TOOLS RANGE

## Hex key wrench assortment 9 pcs. set

Feature 2 : Pick easily

Part No	Description	Size
B-65894	Hex key wrench 9pcs. set	1.5, 2, 2.5, 3, 4, 5, 6, 8, 10mm

hex key wrench (also, hex wrench, Allen key and Allen wrench) is a simple driver for bolts or screws that have heads with internal hexagonal recesses (sockets). Hex keys are formed from a single piece of hard hexagonal steel rod, having blunt ends that fit snugly into similarly shaped screw sockets.

## Ratchet screwdriver PH2 2pcs

Set product will be packaged with clamshell through which the contents will be visible.

Development Concept

Ratchet handle function is applied (clockwise and anticlockwise is possible).

Protruding rubber grains are applied in the handle to make it hard to slip.

Part No	Description	Size
D-58833	Ratchet screwdriver PH2 2pcs	-(-)

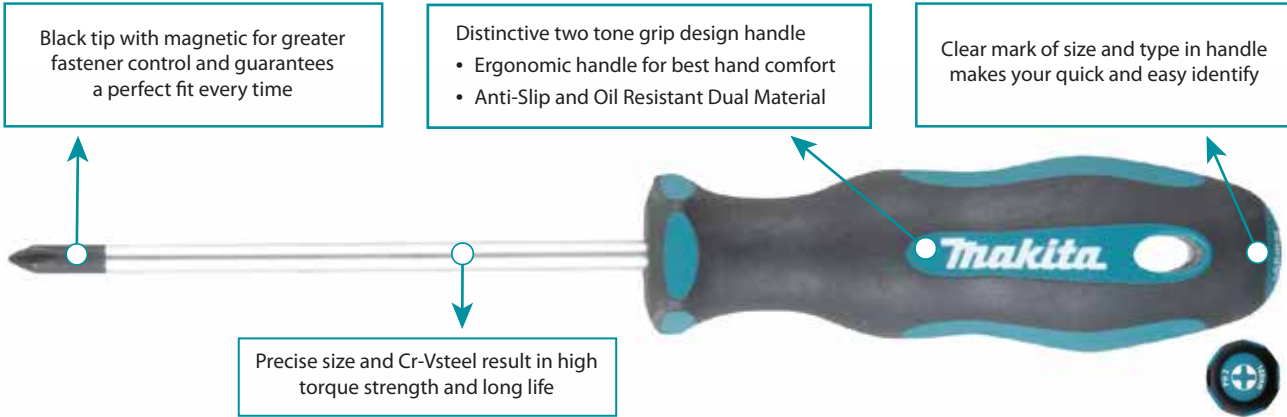

### Hand Drill Ratchet Anti-slip Screwdriver+1/4"/25mm Bits Ratchet Screwdriver Semi-automatic Positive Hand Tool

- Ratchet screwdriver with 1pc PH2 Bit
- With screw bit 25mm (PH2)x1 pcs.
- Ratchet handle function is applied (clockwise and anticlockwise is possible).
- Suitable for car maintenance, interior decoration, repair room, DIY etc.

# Screw driver set

A screwdriver is a tool manual powered used for turning screws. A typical simple screwdriver has a handle and a shaft, ending in a tip the user puts into the screw head before turning the handle. This form of the screwdriver has been replaced in many workplaces and homes with a more modern and versatile tool.

Drivers focusing on ease of use as well as the offered ones as single items.

A set of regular sizes can be used for various types of screws. For more information of sets contents, please see "Detail list".

# Tape Measure Series

Tape measure series is a high durable tape measure series which is tough enough to use in various work site. When the scales are blurred or hook is lost, that would be the end of its life. This measure is for professional having a special coated tape and hook protector's damper absorbing shocks to have great durability

### Feature

#### 1. Special Coating

- \* "DURA COAT" makes 5 times more durable
- \* "SILICA COAT" makes easier note

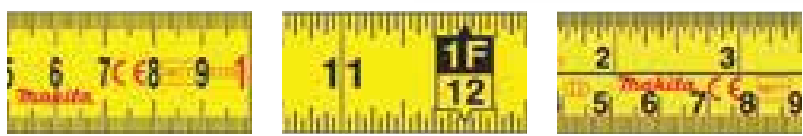

#### 2. High durability of Hook

- \* Installed damper absorbs the shock on the hook
- \* Hook protector reduces the shock on the hook
- \* Tightly fixed hook with "4rivets+protector"

#### 3. Convenience

- \* 2-sided print
- \* Hook with magnet
- \* "Matte finish" makes easier to read scales
- \* Standout

Part No	Description	Size		Feature Icon	Coating
		Lenght	width

B-57168	Magnet Tape measure	10m	25mm		Silica Coating
E-10590	Tape measure	2m/6ft	1/2" (13mm)		Silica Coating

# Snap off Knife Series

A Snap Off knife is any type of knife used for general manual work purposes. Such knives were originally fixed-blade knives with durable cutting edges suitable for rough work such as cutting cordage, Craft knives are small utility knives used as precision-oriented tools for finer, more delicate tasks such as carving and papercutting.

**This utility knife has various features, easy to handle and good design.**

Since the blade can be replaced with a simple action, the replacement time can be shortened and the work efficiency is improved.

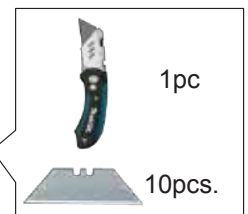

Blade safely folds into handle for compact size and easy storage.

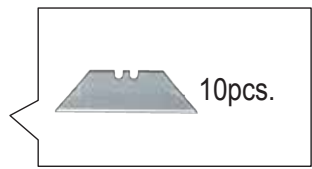

The blade is made with SK5 carbon tool steel. SK5 is generally characterized by its high hardness and wear resistance.
